P&C Canteen News

Welcome back to a year of fun healthy food at the canteen. Our sculpted watermelons were a hit last year and they will continue as long as watermelons are in season and delicious!

For a limited time we also have Watermelon Wonder fruit icy poles - a little creation of Kym's!

Volunteers are still needed for the term, especially on Fridays. Please drop in to the canteen to see what we do and how you can help.

York Street Crosswalk

WPS students are fortunate to have access to a crosswalk and an attendant every morning and afternoon. Can all students please abide by the pedestrian rules and use this crossing located opposite Christ The King School on York Street.

Friendly Reminders to all Parents....

- ◆ Please clearly label your child's hats and uniforms. We have many parents call into the front office frustrated that their child's belongings have already gone missing and it is only Week 2. Please check items coming home and if they are clearly marked with another child's name, can you please try and return them to their rightful owner. There is a lost property box located in the Under Cover Area as first port of call if you are searching for a missing item.
- ◆ Our Staff Carpark, located near the front office, the Staff Carpark located at the rear of the Performing Arts Centre, and the Kindy Staff Carpark are for **staff use only**. We have a large number of staff who need their car spaces to be available each morning so please refrain from using them to drop your children at school. Other than blocking our valuable car bays, it is also very unsafe for your children.
- ◆ The School Zone, which is clearly marked with signage, is only a 40km per hour speed limit. We have a number of students who walk to school without a parent due to work commitments and we would like to keep these children safe. Please adhere to the School Zone speed limit of 40km per hour.
- ◆ On a disappointing note we have recently completed a full stock take of our library resources and unfortunately we are missing over 70 books which have been lent out to students and never returned. Can all parents and students please check their homes for any of our precious library books and resources and return them to the front office - no questions will be asked! At the end of the week, invoices for missing items will start going home.

Thank you and sincere apologies for having a whinge in our first newsletter.
