Lost and Lost!

- ♦ Can all parents please check that their child has their own Winterfold jacket/jumper. We have had a number of parents understandably frustrated that their child's new jacket has disappeared.
- ♦ A young family within our community has had their yellow micro scooter go missing. It was possibly left on the school grounds near the playground over the weekend. If anyone knows of its whereabouts or has any other information please contact the school front office.

Thank you.

From the Admin Team

Dear Parents, Carers and Community Members,

Ok, we have semester one done and dusted, we are over the hump and we look forward to diving into semester two. This is the coldest term each year where most of the students wear their school jackets, but it is also the term where we have the most jackets ending up in our 'lost and found' basket. Please ensure that all your child's clothing (and hat) has their name clearly marked so we can return any of their lost items.

Each term is a term of action here at Winterfold, and term three is no exception. Currently through the Phys-Ed program the students are having their stamina put to the test as they prepare for our School Cross Country, which will be held at the Dick Lawrence Oval, Friday, 8 August, starting at 12.30pm. Hope to see as many of the Winterfold community cheering on this event. As soon as they've finished the cross country our focus will move towards our school athletics carnival and the interschool carnival which are scheduled for the first half of term four.

On the Wednesday, 13 August, Winterfold is conducting a Camp Quality Interactive Puppet Show, and to financially assist with this wonderful organisation it will also be a student free dress day accompanied by a gold coin donation, where students are expected to dress in the Camp Quality colours that are blue and / or yellow.

Please keep in the back of your mind that Winterfold will be holding its staff development day on Monday, 18 August – This is a PUPIL FREE DAY.

Thank you for your ongoing support of this wonderful school.

Quote of the Day: Running long and hard is an ideal antidepressant, since it's hard to run and feel sorry for yourself at the same time. Also, there are those hours of clear-headedness that follow a long run.

Cheers,
The Admin Team

Congratulations to one of our many talented Winterfold Students... Mr Bradley Reeby

Bradley Reeby, Year 4, Room 9, competed in the Western Australia Taekwondo State Championships over the July school holidays, and achieved first place in his division. Bradley is now State Champion for his division. With this great result comes the wonderful opportunity for Bradley to compete with the Western Australian State Team in the Australian Taekwondo Nationals being held in Adelaide in December 2014.

Bradley has also been selected by his instructor to represent his club and Australia in a tournament in Malaysia. He will be attending this tournament in 3 weeks time. With over 20 countries competing it will be a fantastic learning experience for Bradley. Out of all the students from his club there are four boys and three girls from 8 to 11 years old representing his club - "French's Martial Arts".

Well Done Bradley and we wish you all the very best of luck with your upcoming tournaments.

It is with sadness that we would like to inform the entire Winterfold community that our longest serving staff member, Rosa Mastropiero, peacefully passed away on Tuesday night after her battle with cancer. For 35 years Rosa was a dedicated Winterfold staff member who was passionate about improving the lives of every student that she worked with. Rosa's love for her job, the respect and care she displayed to our students will always be inextricably woven into Winterfold's DNA. On behalf of the entire Winterfold staff, our love and compassion go to Rosa's family. At this stage funeral arrangements have not been announced. If you would like to attend Rosa's funeral please look for notices in the paper.
