

## News from South Fremantle SHS

To continue the stories of our graduates' diverse journeys:

Adam Canny graduated in 2010 and was accepted in to WAAPA in 2011. Adam enjoyed two years of successful studies before deciding to spread his wings this year; he applied for and was offered a place at Ballarat University studying musical theatre. Adam was involved in the ASP music programme for the five years he attended South and performed numerous times as a solo act, in ensembles and as part of the school band in interstate and overseas competitions. He enjoyed tours to Queensland and New Zealand and has said that the music programme experiences at South gave him a clear advantage when he was applying for WAAPA. Adam's sister, Grace, is in year 12 and our current band captain. Grace has been involved in many performances herself and had the good fortune to perform a duet with The Waifs' Donna Simpson this year and has just come back from the very successful Talking Drums tour of the Kalgoorlie area. Grace also toured Singapore with the music programme and has earned the respect of both students and staff at South for her dedication to her studies. We believe Grace will achieve many exciting things in the future and look forward to letting the local community know of her successes.

The Marine, Music and Baseball programmes all give students the opportunity to participate in many fantastic experiences like those written about above. Those students entering secondary schooling in 2015 as year 7s are now able to apply for the three ASP programmes at South. If your child is in year 5 or 6 and you would like them to apply for a position in one of our specialist programmes, please contact SFSHS on 9337 0500.

A reminder to all parents whose children are currently in year 7: If you are wishing your child to attend SFSHS for year 8 in 2014 you must have the enrolment process completed as soon as possible. Enrolment forms can be obtained from your school or by calling South on the number above.
