Term 4 Week 2, 23 October 2013

Dear Parents, Caregivers and Community Members,

Term 3 is always a very busy term with many sporting activities and school social events. Edu-Dance was one such social activity that was celebrated on the last Thursday of Term 3. What a night! The kids had been practicing their dance moves each Thursday throughout the term and it really paid off. The evening started with a sausage sizzle at 5.30pm and the performances were split into two acts with parents and students enjoying drinks and cakes donated by our wonderful parents and sold by our P&C. It is fair to say the evening was a huge success. To put this into perspective, we ordered 250 chairs to accommodate the expected audience; however it appeared we simply did not order enough, as at least an additional 50 to 100 people were left standing at the rear of the performance. All-in-all, counting the students, we believe that in excess of 600 people attended the concert! We would like to thank our fabulous P&C who organised the eating festivities, YOU, the Winterfold community who helped supply most of the food, the Winterfold staff for their attendance and finally the kids, who did our school proud!

great citizenship and who positively contribute to making Winterfold a wonderful school. This term 95% of the Winterfold students attended the reward day which comprised of 2 movies pitched at the junior and senior ends of the school. The Winterfold staff would like to congratulate our students for their positive behaviour.

Even though your child started on Tuesday of this term, their teachers were hard at work on the Monday prior, diligently studying the NAPLAN data and setting targets for the following year, updating the Winterfold business plans and going over the Australian Curriculum in the areas of Geography and History – A great deal of work was achieved on the day, thereby ensuring your child is exposed to the best educational experience they can get!

Thanks

P&C News

Firstly, a HUGE thanks to everyone involved in our two big Term 3 events; Sports Day and Edu-Dance. What an amazing bunch of parents. We are so lucky to have such a committed group who came together and worked hard to provide refreshments for hungry students and spectators. And thank you again to the school community for supporting your P&C, in particular for providing beautiful cakes and sweets not once but two weeks in a row. There was no food left at either event which was a sign of the quality of food on offer.

Term 4 will be a little quieter but we do have the much anticipated Movie Night coming in November so keep an eye out for further details regarding that.

If you would like to be a part of our events and fundraising then Term 4 is not too late. Send an email to winterfoldpandc@gmail.com if you would like to offer a hand or be included in our mailing list.

Canteen News

Stay tuned for our new summer menu coming really soon.

There is still the need for volunteers so please sign up as soon as you can.

The next P&C meeting will be Wednesday, 30 October at 6.30pm in the Library.

A message from your Principal...

Your school canteen is always looking for volunteers. If you can spare an hour or two it would be greatly appreciated. Please see Pip in the canteen for more information.

If you are unable to assist with your time, and we are aware that everyone is busy and may have work commitments, maybe you can support the canteen by allowing your child to purchase a healthy morning tea or lunch. Thank you for your consideration.

The schools in the Fremantle-Peel Education Districts have done it again with an extravaganza of visual arts creations by primary and secondary school students.

Now in its third decade, the annual event started as a small exhibition of student artworks from Fremantle primary and secondary schools. Now, twenty nine schools are included with participating students from within the expanded boundaries of the Fremantle-Peel Education District.

Hard-working, and very proud, art teachers set up the works, representing the best of their student output, in the Fremantle Town Hall - a venue supplied through the support of the City of Fremantle.

Our school has aimed to have something on display from each class so please try and get down and not only have a look at our wonderful display but see what the other schools creative students are producing.

Thank you to Mrs Fullerton for her time spent outside of school hours in preparing the display and representing Winterfold as one of the hosts of Art Blast 2013!
