

**Interschool Sports Carnival Sausage Sizzle,
Sushi and Donation of Cake Information
Friday, 7 November 2014**

There appears to be some confusion about the donation of cakes, the availability of the canteen on Friday and the ordering of Sausage Sizzles and/or Sushi.

All students, regardless of participation in the interschool sports carnival, are welcome to pre-order a Sausage Sizzle and/or Sushi using the order form distributed last week. These food items will ONLY be available by pre-order and payment - the Canteen will NOT be operating for recess orders or other lunch orders.

All students, regardless of participation in the interschool sports carnival and regardless of receiving a paper plate, are welcome to donate a cake to the cake stall.

Please do not hesitate to contact the front office if you have any further enquiries.

Thank you.

National Surveys

All schools are required to conduct National Surveys of parents, staff and students every two years from 2014. Fortunately, the surveys are not long or difficult to complete and only take about three minutes to finish. To make it easier, surveys are online. Parents have been sent the link via email earlier this week.

If parents do not have access to a computer or internet at home, they are welcome to use the computer set up in the Front Office to complete a survey. If a parent wishes to complete a paper copy survey, please advise Front Office who will send a copy of the survey home with their child. It can then be returned to the Front Office by placing it in the locked box.

We hope you take the opportunity to provide us with valuable feedback.

Canteen News

A big thank you to Natalie, Suze, Della and Kym who have all stepped in over the last two weeks when they saw a need in the canteen for extra hands. Many more volunteers are needed to fill days for the rest of term.

Music Update

What a week it was in music! First of all we had our inaugural student concert at the Art Exhibition on Wednesday. Students braved the microphone and the huge, attentive audience and performed really well. I extend a big thank you to the students, parents and staff.

On Sunday, we had a performance at the South Fremantle Farmers Markets, this time combining with students from White Gum Valley PS. This was a Fremantle Festival event. We had a group of about 40, and students played instruments and sung 'Riptide' and 'Let Her Go'. Then we combined with the South Fremantle Senior High School (SFSHS), Hilton PS and Fremantle PS students for a dance and song. Our students performed and behaved really well, representing Winterfold in their uniforms. It was also great to see the students collaborating with students of other schools. Thanks again to parents for taking the time and also to Mr Gowland and the SFSHS students. Next year I hope to perform at both of these events again, so get ready!

Mr Kaloczy

Don't forget our **"Techie Breakie"** each Thursday morning until 4 December, from 7.40am to 8.15am in Room 5.

Tea, coffee, toast and orange juice available

See you there, Techies!
No experience necessary!

From the Admin Team

Dear Parents, Carers and Community Members,
As previously mentioned Term 4 is always a busy term, but it is a fun term where opportunities arise for parents to get involved.

The first opportunity presented itself last week when Winterfold held its Sports Carnival. Unlike last year the weather for the day was perfect, where students and parents enjoyed the first hint of summer. This day is always a great day for the P&C to raise some money through a variety of fundraising activities like cake stalls, sausage sizzles and the provision of tea and coffee. As usual the Winterfold community rallied around its P&C and provided a huge array of cakes, muffins, brownies etc for the P&C to sell, and they had no trouble in selling their wares as hundreds of parents, grandparents and family friends turned up to watch our magnificent students compete throughout the day. We would like to congratulate the P&C, its helpers and the canteen for feeding everyone throughout the day, to all our students who all competed and displayed a great competitive spirit and to the wonderful Winterfold staff, especially Mr Wotherspoon, for co-ordinating the day and making it run as smooth as silk! To find out the results of the day please turn to Page 3 of this newsletter.

The second opportunity for parents to become involved in school activities was at our biannual Art Exhibition held last Wednesday. It was once again a resounding success with our Under Cover Area awash with amazing art work spread from roller door to roller door. The quality of the art work is a real testament to our talented Winterfold staff as we don't have a dedicated Art Teacher or a whole school Art Program, however the diversity and design of the art pieces is a real credit to the students and the comprehensive art program that is run in each individual class. Mid-way through the evening the 200 plus crowd enjoyed a musical interlude co-ordinated by our Music Teacher, Mr Kaloczy, and performed by some of our talented music students. You can read more on Page 2 of this newsletter. Once again the P&C came to the party by selling wine, cheese and beer on the night, with a special mention to Sunnie Sciascia who greatly assisted in the purchase, supply and sale of the alcohol. Congratulations go to all our students who contributed their art work, the teachers for their wonderful creativity and to Mrs Sallie Fullerton, who co-ordinated the entire event - Big cheers go to you!

This Friday Winterfold is hosting the Interschool Athletics Carnival and if your child is competing in this carnival we invite you to come down with your loudest cheering voice and some spare gold coins as yummy cakes will once again be for sale through our P&C. Please remember to also 'slip slop slap' as the weather is now fierce enough to seriously burn.

Quote of the Week: As Calvin says from Calvin and Hobbes:
As my artist's statement explains, my work is utterly incomprehensible and is therefore full of deep significance.
