From the Admin Team

Dear Parents, Carers and Community Members,

We are now getting to the pointy end of the school year, and one might think that school could start to wind down, but in reality for the teachers this can be the busiest time of the year. Over the past two weeks the teachers were required to finalise their reports and submit to Admin for a final 'once-over', the Year 6/7s went on a 3 day camp and each day for the past fortnight we have bussed 180 students to and from the Fremantle Leisure Centre so they could attend interm swimming.

The camp this year was at the Department of Sport and Recreation facility located at Point Walter. In spite of the inclement weather the students enjoyed a whole host of engaging activities. The students thoroughly enjoyed their time, not just because of the activities, but because the camp represents the culmination of the school year and more so the culmination of their primary school experience! We would like to wholeheartedly thank the Year 6/7 teachers for organising and attending camp. We would also like to extend our thanks to Sally Renshaw, our wonderful Education Assistant, for volunteering to stay with the group for the duration of the camp.

As previously mentioned, reports are being worked on by staff to be ready to hand out on the last day of school. Be mindful as you read your child's report that many hours of assessment activities, anecdotal note taking and peer to peer discussions have taken place, which have formed your child's grade and associated comment. If you have any questions or queries about your child's report, please do not hesitate to contact their teacher.

To finish, the weather is starting to heat up, so please ensure your child takes extra care of their hat so they are protected from the sun when they play at break times.

Thanks
The Admin Team

The Christmas raffle tickets will be going home this week. Please support your P&C by selling as many tickets as you can. There will be some great hamper prizes on offer again this year.

Finally, we would like to say a big thank you to Amber Robson who we farewelled in the last fortnight. Thank you for your contribution to the P&C this year Amber. All the best in Canada and we look forward to seeing you back at Winterfold when you return.
