*Term 2 Week 2, 3 May 2017*

Dear Parents, Carers and Community Members,

Term 2 has started with a woosh! Our Year 6 students attended their Leavers Camp at Point Walter last week and had a great time. Their activities were engaging and fun and developed a sense of teamwork in the group. Their behaviour was spot on, and all staff are to be commended for their hard work and care. Organising this sort of activity is complex and time consuming and many schools don't do this sort of event.

Our ANZAC Day assembly was well organised by Brendan Hodge and saw a number of our students undertake readings about the Anzacs from their classwork. They read with confidence and their work demonstrated a high level of rich vocabulary. It was lovely to see so many of our families provide floral tributes with many of them having notes about our fallen soldiers. Following our assembly Mr Berry and Mr Hodge placed these tributes on the Fremantle War Memorial.

The major work on our staffroom is about to start. All staff are very keen to get back in there, and our students are keen to get their Visual Arts Centre back. Our staff have been ensuring that this aspect of our curriculum has continued – just in different locations! There will be minimal disruption to the school during the reconstruction process – but the main path into the school will be partially fenced off.

Our Easter raffle was a huge success and we thank our community for their support as always. Our dedicated P&C do a wonderful job in supporting us so please continue to support them. Their next event is our famous Mothers Day Breakfast with details to follow in this newsletter. Speaking of community

support, our Canteen Manager, Pip Slaughter, does an amazing job but with a tiny group of helpers. Our student enrolments are up, our canteen orders are up, but our parent volunteers are well down. Please please please consider giving up a small amount of your time to support the Best Canteen in WA.

Thanks

### Year 6 Camp

Last week our Year 6 students spent an incredible three days on camp at Point Walter Recreation Centre with Mrs Sharp-Nippierd, Ms O'Dea, Miss Bez, Mrs Lesley (our psychologist) and Chris (our chaplain).

And what a whirlwind three days it was! Between kayaking the Swan River alongside beautiful dolphins, challenging themselves on the high rope climbs, cycling around the lovely Point Walter area, doing team building exercises, playing hilarious games, taking part in tabloid games, watching movies and eating the yummy food – it's no wonder the students, and staff, were exhausted by Friday!

Everyone had a great time and left camp with new and deepened friendships, a sense of accomplishment and holding onto memories that are sure to last a life time.
