An Important Message about Valuables at School

Can parents please talk to their children about **NOT** bringing items of value to school. We have recently had the unfortunate circumstance where a very valuable item has gone missing out of a school bag. As you can imagine this doesn't leave a nice feeling for anyone concerned.

If your child needs to bring a mobile phone to school, and we understand that this is sometimes a necessity, they need to hand it into the office in the morning where they are locked away for the day. Students collect them on their way home.

Whilst we understand that some of the students like to wear jewellery and the stretchy silicon wrist bands, they are not a school uniform item and provide too many distractions when learning. Please tell your children to keep these items at home for after school and the weekend.

Thank you, we appreciate your help with this matter.

YEAR 6/7 CAMP FUNDRAISING

Hi, Winterfold P&C are holding a sausage sizzle at Bunnings, Bibra Lake, on Sunday, 1 June, to raise money for the camp.

If you can help with 1 hour or more on the day that would be great as we need 3 people there between 9am and 4pm.

Year 6 and 7 students can help serve but cannot do the cooking.

Please call Jane on 9331 6570 or 0413 189 699 to put your name down on the roster ... the more people helping, the less everyone has to do.

Thanks!

HELP NEEDED

The P&C is looking for parent volunteers, especially Dads, to help with the end of term Disco on Saturday, 28 June. An hour or two on the night would be a great help to the organisers. Please give Karen a call on 0422 746 672 to lend a hand.

The Uniform Shop is also in search of capable, responsible hands to help run the Uniform Shop, particularly from July onwards. You can contribute to keeping our students looking as well-dressed as they do along with getting to know parents and students in our community. Please give Nat a call on 0431 937 506 if you would like to help and to have a chat about what's involved.

Entertainment Books

Entertainment Books are selling fast. You can order your 2014/15 Entertainment Book now online at <https://www.entertainmentbook.com.au/orderbooks/87o112> and collect from the school front office.

Thanks to everyone who attended last Wednesday night's meeting. It's wonderful to have such a great group of dedicated parents on the P&C this year.

Our next meeting is a day meeting on Wednesday, 18 June at 1.30pm in the Library.

Please send any questions or comments to winterfoldpand@gmail.com or call Leeanne on 0400 467 996.

UNIFORM SHOP NEWS

JACKET ARRIVAL UPDATE!!!!

Hi Everyone.

Unfortunately, the ordered jackets have not yet arrived due to a shipping error :- (We did however receive our supply of contrast shirts only :- {

The jackets are meant to be at the school by Friday, 23 May. I will place a note on the notice board upon their arrival, outside the undercover area, so that you know it has officially arrived.

I have informed Mr Berry and Mr Hodge of this shipping error, so, while your jacket is on order, they will be ok with you wearing something to keep you warm. I will also inform them of the arrival of jackets.

Thank you for your patience.

Natalie and Belle - Uniform Co-Coordinator

P&C Canteen News

Thank you to all the parents and kids for their support of the winter menu. Order numbers have increased significantly and we are now making 75-80 lunches each day we are open.

We recently were awarded a 5 StarCap rating from the WA School Canteen Association, Department of Health and the Heart Foundation WA as recognition of our healthy canteen. 96% of all our food sales are in the green category.

This is a great achievement and all thanks to our parents' support. More volunteers are needed, especially on Fridays, so please sign up if you can.

Congratulations!!

A BIG Congratulations must go to our Canteen Manager, Pip Slaughter, on attaining a **5StarCAP rating**.

Winterfold Primary School Canteen is currently the only school in the state with this rating.

In order to achieve this 5 star rating Pip and her canteen staff have to sell 95% or more of their total sales with their "Green" food items.

An example of "Green" food items are:

- Fruit, preferably fresh but may include frozen, canned (in natural juice)
- Vegetables and legumes, fresh, e.g. stuffed potatoes, corn-on-cob, or canned varieties e.g. baked beans, 3 bean mix. Salads (using reduced fat dressings only), all salad mixes
- Cereal foods – wholegrain cereals, pasta, noodles, rice
- A variety of bread types including wholegrain and/or wholemeal
- A variety of sandwich/roll fillings that are all available with salad, e.g. egg, reduced fat cheese, skin-free chicken, tuna, lean meats, yeast spreads, hommus
- Lean meats, fish, poultry and alternatives e.g. skin-free chicken meat, lean meats, fish (tuna, salmon, sardines)
- Reduced fat dairy products including plain milk (no serve size restriction), flavoured milk (less than 375mL), cheese and yoghurt
- Plain water, plain mineral water

This is a wonderful achievement for Pip and our school. Please make sure you pass on your thanks to Pip for feeding your children healthy canteen items.

Sick Children

We are still experiencing a high number of students who are being kept home from school to recuperate from their illnesses - thank you to those parents!!

Please keep your child at home if they are coughing, or are in general poor health - please **do not** send them to school.

These illnesses pass quickly from child to child and/or teacher.

We have a couple of students with low immunity and these children get sick quickly and take a very long time to recover.

Woolworths Aussie Animal Trading Cards

Woolworths have been very generous and provided Winterfold with their left over Woolworth Aussie Animals Trading Cards. Our staff have taken what they require for their classrooms and we are still left with a large number of boxes.

If you think this is something your family would benefit from, please email us on the school email address and we will deliver out to the student via the classroom.

As you can imagine it would be chaos in the front office if every students came up requesting a box.

Thanks everyone!

Important Information

There will be a small informal community forum held this Saturday, 24 May at 3pm with Traci Gamblin from High School Options for Freo.

The forum will be for parents who are interested in hearing more about the group and the issue of secondary schooling options in the Fremantle area. Numbers are limited so please call Leeanne Willows on 0400 467 996 if you would like to attend.

School Photos

School photos are happening this term in Week 8 on the following days:

Pre Primary – Year 7: Wednesday 18 June

Starfish (Kindy): Tuesday 17 June

Seahorse (Kindy): Thursday 19 June

Sibling photos will only take place during recess and lunch on Wednesday, 18 June. If parents wish for sibling photos to be taken and have a child in Kindy, they can be brought up to the Library by staff if they attend school that week on Wednesday or parents will need to bring children in on Wednesday if it is a non-attending Wednesday for the group. Sibling photo timeslots are limited so please see Front Office for a sibling envelope.

Individual envelopes will not be collected by the school and must be brought into school on the day of their photos. Sibling envelopes must be handed to Front Office by Tuesday 17 June so timeslots can be filled. Once timeslots are filled, there will be no further sibling bookings taken.

Once envelopes are printed by the photographers, they will be handed out to classes. These will hopefully be available in the next week or two.
