From the Admin Team

Dear Parents, Carers and Community Members,

We are delighted to advise our school community about our very strong NAPLAN results in 2014. Whilst we all know it is only one test on one day, general data like NAPLAN assists us in identifying areas for school improvement and verifying where our strengths lie.

As an Independent Public School since 2012, some of our key targets in our Business Plan were to improve our NAPLAN results, and due to sheer hard work and good teaching over three years, we have done just this. Whilst this is a whole school achievement, our students also deserve credit for their efforts and our parents too for their support of our learning programs.

Without going into detailed data analysis, here is an overview of what our staff and students have achieved: There are five tests in each of the three year levels (Years 3, 5 and 7). Of these 15 tests our students achieved 8 "green flags". This means we achieved significantly higher than expected and this is easily the most number of green flags we have ever achieved. We also achieved 7 "yellow flags" which means we achieved results that were expected. For the first time we had no "red flags" which means an area for improvement. Well done WPS!

In closing, could we ask all parents who do drop-offs by car to note the following so that the streets around our school are as uncluttered as possible, so our kids are as safe as possible, and so none of our parents get a fine from the ranger or the police?

- ◆ Students may not be in the staff car park, nor may parent vehicles (ACROD vehicles excepted).
- ◆ Kindy students should be dropped off in the Kindy carpark and junior primary students should be dropped off on Annie Street.
- ◆ It would be great if older students could be dropped off east of York Street and walk to school via the manned crossing on York Street near Christ the King.
- ◆ Road rules must be adhered to at all times as Rangers and Police appear from time to time.

Thank you to everyone who came along and participated in our annual Fathers Day Breakfast last week. It was a great morning and it was lovely to see so many Dads enjoying the breakfast muffins with their kids. Thank you to the mums in the kitchen and on the barbecue who kept the food warm and drinks coming. Thank you also to the wonderful teachers who gave their time once again to lend a hand - we really appreciate your help.

Our next P&C event will be the school's annual sports carnival in Term 4, where many hands will make light work, even it's for only an hour or two. Please feel free to come along to our next meeting on Wednesday, 17 September, at 1.30pm in the school library or give Leanne, our P&C President, a call on 0400 467 996. Alternatively drop us an email at winterfoldpandc@gmail.com

5 Cent Drive Class Competition

Attention Winterfold Students, Parents and Carers,
Only two more days left of the 5 cent drive competition which concludes on Friday, 12 September.

Each student should collect as many 5 cent pieces as they can via donations from family and friends and place them into their class "Soft Drink Bottle Money Box". Remember the class with the most money will win a yummy cake for their class to devour.

All money raised will be donated to Hilton PCYC.

Winterfold are very proud to announce that one of our students, Charlotte Cantley, Year 2, Room 3, and her Mum, Leanne Willows, will be participating in the MS Moonlight Walk in Brisbane on Friday 17th October. Charlotte and her Mum are walking to raise money for people with Multiple Sclerosis.

Charlotte and Leanne will be participating in the 5km walk around the Brisbane River and city. They have been walking everywhere in anticipation of the event and are hoping this will get their legs ready for the big walk!

Donations to this worthy cause are greatly appreciated and you can contribute directly to Charlotte via her own fundraising page at <https://msqlevents.com.au/champion/MS-Moonlight-Walk-2014/CharlotteCantley>

Good luck Charlotte and Leanne, we are sure you will make us very proud supporting this worthy cause!

Lost, Stolen and Found

Lost - we have had a number of parents advising that their child's Winterfold jacket/hat with their name on have gone missing. Once again, can all parents please check that they have the correct uniform items belonging to their child.

Stolen - we are disappointed to advise that a bike that was accidentally left on the school grounds overnight last week was stolen. An iPhone was misplaced at Dick Lawrence Reserve during the Cross Country event. If anyone knows of these items and their whereabouts, please let the front office know.

Found - We have had a number of personal items handed in to the front office. If you have lost keys or reading glasses, please call into the front office.

P&C Canteen News Joke Competition

Don't forget to hand your funny fruit and veggie joke into the Canteen to be a winner in the Canteen Comedy Competition.

This competition is open for the month of September. See our lovely canteen staff for further information.
