

P&C News

The School Disco

Almost 200 students danced the night away at the recent school disco. It was a great night, and raised \$1300, which will help the P&C with next year's projects. Thanks to the parents who volunteered on the night – it was a wonderful show of support.

Bunnings Sausage Sizzle

The P&C are holding their annual Bunnings Sausage Sizzle on **Sunday, 20 December 2015** from 8am to 5pm, at Bunnings O'Connor, on South Street. Please add this event to your diary, as we hope to see you there. Funds raised will go towards 2016 P&C fundraisers.

Natureplay

My Park Rules Competition - we didn't win but we did get 351 votes, which shows a great level of support and interest from our community. Thanks Winterfold! We are still working on the design and are looking at employing a specialist natureplay consultant to help design the playground area. We will have a draft design ready early in 2016 and will also be applying for more grants and entering more competitions in 2016. Watch this space.

Visual Arts Centre Open Night and P&C AGM

The official opening of the new Visual Art Centre will be held at 5.30pm, Wednesday, 10 February 2016 for Parents/Carers, students, teachers, staff and P&C members. The renovations will be finished by then and we would like to open the doors to you all; firstly to say a BIG thank you, and also to show you how your donations have transformed the VAC. The School and P&C could not have done this with you all. Thank you very much!

We also will be holding our P&C AGM straight after the opening and we hope you join in on the night. All Executive positions are available and nominations are being accepted now, if you are interested in joining a fantastic P&C, please call Sunnie Sciascia on 0404 129 338.

Happy Holidays to you all, stay safe and see you in 2016.
