P&C ASSOCIATION

41 Annie Street, Beaconsfield WA 6162

Dear Parents and Care Givers,

The P & C, along with the support of the school, are looking to establish a volunteer Room Coordinator program.

As a Room Coordinator, you are a valued member of our school community and your time and commitment is appreciated. Proactive, interactive Room Coordinators will contribute enormously to our schools sense of community.

The Winterfold Primary School P & C will organise the Room Coordinator program, which is supported by the school. Holly Gould & Tiff Templeton are the convenors and they will help you with your activities.

Room Coordinators take the lead in communicating with teachers, other parents, care givers and the P & C, to keep parents and care givers informed of all activities happening within the room and across the school.

Volunteering to be a Room Coordinator is a great way to get to know other parents in the school and make new friends. It's a relatively easy task and several parents can share the role for each room.

Please contact us with any questions.

We're looking forward to hearing from you soon,

Holly Gould
