Dear Parents, Carers and Community Members,

We trust you had a great break. The calendar at Winterfold is quickly filling up with many exciting events due to occur during Term 3. Our school Cross Country event will take place next Wednesday, from 12:00pm at Dick Lawrence Reserve. It would be great to see lots of community support for the event. Please be aware that it is a requirement that all students remain in the bays with their teachers. This ensures their safety during the event.

Teachers and students are busily creating masterpieces for our biennial Art Exhibition which will be launched on Tuesday, 6 September between 5pm and 7pm. The Art Exhibition will be open Tuesday, Wednesday and Thursday for our own classes to view, plus any invitees and community who can’t make it to the opening on the Tuesday night. We also have a Fun Run and Science Day planned for later in the term. Stay tuned for further details.

This term, Winterfold Primary is launching its new Social and Emotional Learning Program ‘Highway Heroes’. Social and emotional learning is the process of acquiring the skills to recognise and manage emotions, develop caring and concern for others, establish positive relationships, make responsible decisions and handle challenging situations effectively.

The first Module is called Sticking up for Me: Beating Bullying and Taming Teasing. Each module has 5 lessons that will be implemented throughout the term. We will be supplying you with an outline of each lesson in the school newsletters. Home activities and parent information sheets will be sent home at the conclusion of each lesson. If you miss out on receiving the activities – you will find them on our school website at www.winterfoldps.wa.edu.au.

Sending consistent messages at both home and school will greatly assist your child in developing their social and emotional skills. We appreciate your support.

The first lesson looks at identifying bullying and the importance of self-talk.

We are very excited to announce that the Highway Heroes founder Claire Orange will be holding a Parent Information session at Winterfold PS in the library on Tuesday, 30 August 2016. Claire is a Professor Counsellor and an Accredited Resilience Trainer. She is also a dynamic speaker. Don’t forget to pencil the date in your diaries.

We would like to send a friendly reminder to all parents that we strongly discourage students bringing sports equipment, toys or games from home to school as we cannot guarantee their safe return. It has also been a long established rule at Winterfold that there are to be no games or sports equipment used prior to the school day commencing. This is due to duty of care policies. We thank you for your support in this regard.

Thanks
The Admin Team

**Matilda The Musical**

We are proud to announce that Reuben Rivalland has been cast as Nigel, one of the ensemble characters in the upcoming tour of Matilda The Musical.

**TRAVELSMART**

Our awesome student TravelSmart Committee will be back in action next week. You will find them around the front entrance to the school to hand out raffle tickets for walking, riding, skating or scooting.

Later in the term they will also be putting on a TravelSmart Fair. They will be working hard to get that organised. Stay tuned for more information at a later date.

**Scholastic Book Fair**

We are pleased to announce that the Scholastic Book Fair will once again be held in the school library.

Students are able to select and purchase their wish list items before and after school. A Book Fair brochure will be distributed shortly to all students. Please remember that our school will benefit from any purchases. All commission goes towards buying new library books.

**Nationally Consistent Collection of Data for School Students with Disability**
Our school is part of a national project about students with disability and/or learning difficulties.

We have been asked to provide data about the number and learning needs of children at our school. The name of the school and the name of the students will not be reported. Information about the different types of needs and the programs and resources the school uses to overcome barriers and support children with special educational needs will be collected.

We believe it is important to contribute to this because it will help Governments and the Department develop better policies that acknowledge the level of resources needed in schools to meet the needs of all students in Western Australia.

If you would like to learn more about the Nationally Consistent Collection of Data for School Students with Disability you can visit this website:

**HOME GROWN MUSHROOM BOX**

Earlier on in Week 1, all family representatives should have brought home a Home Grown Mushroom Box Order Form.

Mushroom boxes cost $25, and the best part is that you get a number of harvests from the one box. Your children will love watching the mushrooms grow with very little effort.

Please ensure that all orders and payment are returned in a sealed bag or envelope to the locked box in the front office by **Monday, 1 August 2016**.

Delivery will be on Thursday, 4 August and/or Friday, 5 August.

For every box purchased, our P&C will receive $5.

Thank you in advance for supporting this innovative and healthy fundraiser.

Winterfold's 2016 Bookfair

Wednesday 10 August to Friday 12 August
In the Library

Dress up as your favourite book character on
Wednesday, 10 August.

Don’t forget to bring your favourite book!
The Bookfair will be held in the Library and families will be able to
browse and purchase before and after school on all days.

Remember that all purchases made contribute to our school
benefitting from FREE resources.
Happy Reading!!

SUSTAINABILITY

Mindblowing fact:
Did you know that it takes approximately 10 litres
of water to produce 1 piece of A4 paper? That
certainly makes us think more carefully about our
paper usage here at Winterfold!

What is our school currently working on?
Our lovely canteen is helping our school to become
more sustainable. We have discovered that our
straws are recyclable so will be implementing a
system that encourages students to place the
straws in a recycling bin rather than general
rubbish. Rather than using plastic sporks (the
handy combination of a spoon and a fork) we will
soon begin using metal cutlery. A system will be
implemented where they are collected, washed
and used each canteen day. This is
such a wonderful move forward for our
school!

Canteen News

As part of Brownes Dairy’s 130 year anniversary, all
students will be offered free plain milk every
Wednesday this term.

It will be available at the front and rear entrances to
the school, and also delivered to Kindy. Lactose
free milk will be available.

The Term 3 menu has had some changes due to
low volunteer numbers. Pasta and fried rice options
have been deleted, and sushi is now only available
on a Friday.

Perth Goju Karate teaches karate classes in your
local area.

A special offer for the school’s students - 4 WEEKS
FREE beginners karate lessons!

Classes are held after school and are a great way for
children of all ages to learn self-defense in a fun and
safe environment.

We also teach classes for teens and adults in the
local area at night and they are fantastic for fitness,
wellbeing and of course, self-defense.

Karate has many benefits which include confidence,
respect, discipline and fitness.

Call now to take advantage of this 4 week trial.
